2025 PHILMONT ADVENTURE ITINERARY

Itinerary 1B 46 miles

The morning of day 3, your crew will ride from base to Miner's Park where the programming is rock climbing. Day 4 is an uphill over Fowler Pass to Bonita Cow Camp in the high country mountain meadows. From Bonita Cow, the crew can choose a short easy day straight up the meadow to Beaubien. At Beaubien the crew will lay over for 2 days and have the opportunity for their conservation project and side hikes. There is also a commissary pick up at Phillip's Junction of the food for the second half of the trek. On day 7, the ride is a long one, down Fowler Pass, through Crater Lake and Bear Caves, over Stonewall Pass, and down to Abreu camp where the program is historical interpretive homesteading, a cantina, and Mexican dinner. Day 8 will be an early ride from Abreu down to Cattle HQ in time for the afternoon Gymkhana competition.
