How can I eat Kosher, Hindu or Halal meals at Philmont?

Crews or individuals that require a Kosher, Hindu, or Halal trail menu will be provided a replacement dinner entrée (My Own Meals, Ashoka, or J&M Meals) for each of their dinner meals. It will be up to the individual to provide their own substitute items for all other breakfast, lunch, and dinner components that do not meet their needs.

My Own Meals products (***see links below***) are available at Philmont as a substitute for the entree in the dinners and need only to be immersed in boiling water for 5 minutes to be ready. **All of the products used in My Own Meals are Glatt Kosher. All of the products used in J&M Meals are Halal.** Philmont has Kosher vessels (i.e. new and not used) available for campers. We recommend that Jewish, Hindu, and Muslim Scouts either bring their own trail stove or purchase one at Philmont, so that they can coordinate cooking their meals at the same time as other trek members.
